Ferguson May Leave Richard Frank Ives, the Champion Billiard The Western Campaign Fund Mansfield's Company.

to Legal Difficulties.

the has been for so long a member of kichard braved litigation for the honor of that postdon, has succumbed at last. The other night in his lines, and this affected Mr. Fergugive it. It is thought that Ferguson will

Manager Jack Hamilton, of the Fifth ries to play at Hammerstein's Harlem Operathe Fifth Avenue by which she will appear at that theatre in March. The contract will not | The Giants are only one point to the good, permit her to play at any other house prejous to that date.

Marcus Waver sailed for this country yes erday by the City of New York. Last week, n London, Mr. Mayer met Mrs. Bernard ere, Miss Fanny Davenport and Mms Patti, all in one day.

Salvini_the famous Salvini_will not come to this country next year, as has been anounced. He may cross the Atlantic, but it

"Ye Farlie Trouble." Henry Guy Cariston's play, 'as had an unpleasant time of it. Its managers were Messra Mellin and Reardon. It appears that the backer of the enterprise wanted an amateur to play the principal part. To this Mr. Carleton objected, and the backer declared that if the amateur could not appear he would withdraw his financial support. He withdrew his financial support. He withdrew his financial support. Some hustling was then done, and Walter Sanford has been secured to protect "Ye Earlie Trouble." Mr. Sanford began by reducing expenses, it is said, and several of the people in the company have left. More are being engaged. "Ye Earlie Trouble" is to be acted at Proctor's Twenty-third Street Theatres shortly.

Sig. Guerra, the wonderful male dancer of "The Black Crook" company, has been to the Casino to see Espinosa's base imitation of the dance. Guerra will not say what he thought of it. . . .

The Frohmans are in fraternal competition this week in Chigago. Brother Dan is there with his Lyceum stock company and Brother Charles is looking after John Drew in "The Masked Ball."

ose Coghian's company is now complete. has engaged Sadie Martinot (in spite of fact that Heinrich Conried says that he secured her); Frederic Robinson, John T. live. Hobert Fischer. Grant Stuart, strice Moreland, Mme. Von Rautman and bei Eaton. Charles Coghian will also aptr. He would probably be indignant if it announced that he had been merely

Association of Steamfitters' Helpers will be suspended unless they pay on or before next Tuesday evening.

Progressive Painters' Union No. 6 notified the Building Trades' Section of the C. L. U. yesterday of their withdrawal from the Central Lacor Union. President MeGovern, of the recently formed Lumber-Shovers' National Union, is visiting the towns on the Outo River to extend the territory of his organization.

The Building Trades Section of the C. L. U. Pacitied credenitals yesterday from the New York Grantie Cutters Union-William O'Brien, James Kadie and John Russell. In California the Socialists will vote for the People's Party (toket, as they believe that they are too small a number to make any attempt to cally was for Wing and Matchett. Pavid Callanan naving been unanimously renominated by Progressive Painters Benevu-ient Union No. 1, will unababletly be re-elected next week. The Union has adopted a new working card.

John Buras, discussing the sweating by-tem in British Government factories, has said that skilled wormen in arsenals and The Pittsburg Branch of the German-American National Typographical Union has proposed an ameniment to the constitute in

The Copers' International Union has a Delegate Kelly, of Progressive Painters' Union No. 1, acted as Chairman at yesterday's session of the Building Traces Section of the C. L. U., and George Brutschin, of the Orna-mental Plasterers' Union, occupied the vice-

chair.
Adam Etzel and Conrad Becker, the brewery workers employed by John Weide, in Phita-deipnia, who were indicted for conspiracy after the recent strike at Weide's browery, pleaded guilty resterday and sentence will be passed upon them in a lew days.

The Defense Fund Entertainment Committee of the Building Trades section of the C. L. U. requests all amiliated unions to take part in the distribution and sale of tickets to its entertailment on the first evening of the Columbus celebration.

By establishing co-operative bake-shops in many parts of London the Bakers' Union of that city has succeeded in grawing several thousands of journeymen into its ranks who formerly would not join under any circum-stances.

Upon recommendation of the Special Com-mittee appointed by the Building Trades Section of the C. L. U. to settle the differ-

section of the C.L.C. to settle the difference between Eccentric Engineer's Unions, the United and the German organizations, the United and the Standard Engineers Unions, it was resolved yesterday to call a meeting of the two latter unions to consoldate into a German Engineers' Union of New York City. The delegates of the Standard Union, against which the other unions have retaining a second of the vermin with a superstitious eye is evident upon the testimony of many old York City. The delegates of the Standard Union, against which the other unions have grievances, were allowed seats in the Section until the final report of the Grievance Committee is received. Delegate James Eadle was appointed a member of the Organization Committee.

The Secretary of the Building Trades Section of the C. L. U. requested yesterday that the various committees of the body should immediately organize and send to him the names of the different chairman with their places of residence.

Charges have been made against several shops under the Jurisdiction of the Plano-Makers' Union for working overtime. The Executive Committee is investinglying these cases. The Italian branch is in arrears with its assessments. Branch 6 has indersed the Socialistic ticket.

A special committee has been elected by Cabinet-Makers' Union No. 7 to settle the differences with Carpenters' Union No. 513, who complain that members of No. 7 have been doing carpenters' work and otherwise violated agreements formerly made with the carpenters' unions. Next week new officers of a light during the proceedings of a navni court of inquiry held in August, 1875, for the purpose of investigating the cause of the loss of the burk Commodere, of Hartlepool, England, and are related by Chambers's Journal.

The vessel, which was burned at sea, hall been loaded with a carpe of timber, and the fire broke out in the hold in a most mysterious manner. It was eventually proved, on the evidence of the entire crew, that beyond a shadow of doubt the outbreak was originated by a rat carrying of a light dependence of the series of the light with a superstition of the rat as an writers. The reputation of the rat as an evil omen is beyond question very ancient, but as a pest whose presence is a center of the writers. The reputation of the rat as an evil omen is beyond question of the rat as an evil omen is beyond question very ancient, but as a pest whose presence is a center of the distance of the minute has carried a distinction which is quite and the c
